MISCELLANEOUS.

Day and Night

During an acute attack of Bronchitis, a ceaseless tickling in the throat, and an exhausting, hacking cough, afflict the sufferer. Sleep is banished, and great prostration follows. This disease is also attended with Hoarseness, and sometimes Loss of Voice. It is liable to become chronic, involve the lungs, and terminate fatally. Ayer's Cherry Pectoral affords a safe and reliable remedy in cases of Bronchitis. It soothes the disposition to cough, and induces refreshing sleep.

I have been a practicing physician for twenty-four years, and, for the past twelve, have witnessed many cases of attacks of Bronchitis. In every case, after using all the usual remedies

Without Relief,

I tried Ayer's Cherry Pectoral. It effected a speedy cure. C. S. Sweeney, M. D., Carson City, Neb.

Ayer's Cherry Pectoral is undoubtedly the best remedy for any cough, whether chronic or acute. It is a safe and reliable remedy. M. A. Root, M. D., St. Louis, Mo.

I was attacked, last winter, with a severe Cold, which grew to a cough and settled on my lungs. My chest ached. I was reduced almost to a skeleton. My cough was incessant, and I frequently spit blood. My physician told me to give up business, as I would not live a month. After using various remedies without relief, I was finally

Cured By Using

two bottles of Ayer's Cherry Pectoral. I am now in perfect health, and able to resume business, after having been pronounced incurable by my physician. S. P. Henderson, San Francisco, Feb.

For years I was in a dithers. I had weak lungs, and suffered from Bronchitis and Catarrh. Ayer's Cherry Pectoral restored me to health, and I have been for a long time comparatively vigorous. In case of a cold and lung trouble, resort to the Pectoral, and find speedy relief. —Edward H. Cook, Rutland, Vt.

Two years ago I suffered from a severe Bronchitis. The physician attending me became despondent that the disease would terminate in Consumption. After trying various medicines, without benefit, he prescribed Ayer's Cherry Pectoral, which relieved me at once. I continued to take this medicine, and was cured. —Ernest Colton, Logansport, Ind. 11
